SUBJECT: House Rule 7.19, HB 1 Engrossed, FY 17 Financing Replacement

Pursuant to House Rule 7.19, the Legislative Fiscal Office (LFO) is required to submit a report to the House of Representatives, which indicates whether the appropriation bill appropriates one-time money within the Engrossed version of House Bill 1 (HB 1). The LFO is providing this information for HB 1 – Engrossed and a discussion of the FY 18 financing decisions that will have to be made as a result of the current structure of the FY 17 proposed operating budget.

HR 7.19 One-Time Money List
Pursuant to HR 7.19(C)(2), appropriations from one-time money for ordinary recurring expenses may not exceed the projected growth of the state general fund from the fiscal year for which the appropriation is proposed and the subsequent fiscal year according to the most recent official forecast. The threshold calculation is the difference between the official SGF revenue forecast adopted by the Revenue Estimating Conference on March 16, 2016, for FY 17 of $9,498.5 B and for FY 18 of $9,740.0 B, which equates to $241.5 M of SGF revenue growth. The amount of one-time funds, as defined by HR 7.19, allowed to be appropriated in HB 1 for FY 17 expenditure is approximately $241.5 M. After Adopted House Appropriations Committee amendments to HB 1 and HB 409 (funds bill), there is no ($0) one-time money as defined in House Rule 7.19 in HB 1 Engrossed.

FY 18 Replacement Financing Decision List
Although HR 7.19 contains a definition of “one-time money,” the rule itself is not indicative of the financing decisions that will have to be made in FY 18 relative to the current structure of the FY 17 proposed operating budget. Due to this issue, the LFO is not only providing the HR 7.19 list to comply with the House Rule, we are also providing you with a detail of significant potential FY 18 financing replacements that will have to be made as a result of the proposed FY 17 budget. See discussion of Medical Vendor Payments below regarding resources being utilized in FY 17 that will likely require another revenue source in FY 18. The $34.5 M of financing needs are in addition to any other continuation budget requirements not yet resolved in the FY 17 budget. These additional funding requirements will likely result in an FY 18 anticipated funding shortage that could exceed $34.5 M. The $34.5 M of potential financing replacement in FY 18 is a significant reduction compared to the amount of FY 17 financing replacement of approximately $826.4 M.

Agency – Medical Vendor Payments

The executive budget recommendation presented by the Division of Administration in HB 1 Original included an appropriation of $34.5 M drawn from fund balances of the Medicaid Trust Fund for the Elderly and the Health Trust Fund. These funds are expected to be essentially depleted after the draw down of monies in FY 17, resulting in a need to identify replacement revenues for FY 18.

HR 7.19 One-Time Money: Pursuant to HR 7.19(C)(2), the threshold calculation is the difference between the FY 16 SGF forecast of $8,212.2 M and FY 17 SGF forecast of $9,498.5 M, which equates to $1,286.34 M of SGF revenue growth. The amount of one-time funds, as defined by HR 7.19, allowed to be appropriated in HB 1 for FY 16 expenditure is approximately $1,286.34 M. As mentioned above, the LFO has identified $7,028,196 as one-time funds as defined in House Rule 7.19.

Note: The supplemental bill contains an appropriation of $7,028,196 to the Minimum Foundation Program to address the FY 16 funding shortfall. The source of this $7 M is from the Attorney General’s Consumer Support Escrow Account. The escrow account contains approximately $30.8 M with the original source of revenues from various settlements. The Attorney General has not been able to identify the original source of monies in the fund and cannot confirm to what extent these funds may be otherwise obligated. HB 409 (the Funds Bill) directs the attorney general to remit the designated amount to the treasurer for deposit into the state general fund. These funds do not appear to have been recognized by the Revenue Estimating Conference.
